

Sweet Potato Plow

- Saves time... no more dead heading or skipping rows around the field
- No more cutting vines ahead of harvesting
- Available in 1-row, 2-row and 4-row models
- Available with smooth or scalloped blades
- Blade angle controlled by a hydraulic cylinder
- All models come standard with blade scrapers
- Large 28" diameter coulters
- Lube fittings and grease grooves at all swivel points for ease of operation and wear resistance
- Extra heavy duty construction for long time use and reliability
- Completely adjustable row widths from 38" to 48" with no additional parts to buy
